

Get Better:
Manage AI

Congratulations on completing your Manage AI training session!

This session covered the core features of Manage AI, including how to use the launchpad and how to initiate certain AI-enabled tasks to stay ahead.

Your next steps are to practice these action items in your Clio account.

Generate a [Matter summary](#)

Create an AI generated [Expense Entry](#)

Analyze a [Document from the launchpad](#)

Configure [billing automation](#)

Take some time to complete the tasks listed above, and use the links embedded to help you through each task if needed.
